About us...

Dear Colleagues & Partners/ Well-Wishers,

We are feeling very happy to introduce our new venture DEXOVIT SANITARYWARE with wide range of Sanitaryware Products.

Dexovit Sanitary wares is a modernized international enterprise integrated with R&D, manufacturing, sales and service. We have a complete Sales Strategy and efficient sales team, applying brand strategy, setting up enterprise image, and being the Advocate and Pioneer in the field of world class sanitary ware.

Keep improving and striving for excellence is the core strategy to our quality requirement. The company is devoting itself to exploring deeper on global sanitary ware, so as to provide high-quality products and sincere, sophisticated service to the whole society and customers, to build up the better life for all humans.

Manufacturing Facility

Our use of innovative manufacturing technologies means that we are able to create excellent quality sanitary ware products in the latest designs at extremely competitive prices.

Dexovit sanitaryware is a company that has big scale, high technology and a variety of products. It has over 20 series of sanitary wares including art basin, cabinet basin, wall-hung toilet, one-piece toilet, two-piece toilet, pedestal basin, wall-hung basin, counter basin, art basin, urinal.

From design to manufacturing, we only use the most technologically advanced materials and processes. This has ensured our position as market-leader and innovative creators of sanitary and bathroom wares.

Quality

Our company has established cooperative relationship with foreign countries, that introduce advanced technology and management from Spain and Italy for reaching the international advanced standards of performance
